S14 SYSTEM

# S14 SYSTEM

## Systems for linear S14d LED bulbs

S14 linear LED lamps are perfect for wall installation, for creating wall combinations or as bathroom and outdoor lamps.

Thanks to Creative-Cables' exclusive solutions, they can also be used as pendant lamps, increasing their possibilities of use and creating original and creative compositions.

Available lampholders are **esse14** and **Syntax®**.

### IDEAL FOR

Bathroom lighting

Multiple compositions

Outdoor spaces

### Create unique lighting solutions with S14 SYSTEM.

S14 is the Creative-Cables system that allows anyone to create spectacular lighting solutions using a piece of lighting history: tube bulbs.

## ESSE14: wall or ceiling lampholders

Curved, small and design-oriented, you can give shape to your creations without worrying about their taking up too much space. It does not require a ceiling rose and can be attached directly to the wall. An exclusive Creative-Cables creation, designed to resist humidity thanks to its IP44 certification when combined with 30 or 50 cm linear LED bulbs.

## SYNTAX: lampholders for pendant lighting

The linear lamps with S14d socket are not restricted to basic wall or ceiling installation, but can also be presented in all their glory in suspension, or with a swivel joint, and may be combined in different compositions with never-before-seen scenographic effects, owing to the Syntax system.

## Syntax S14d cover and lamp holder kit

The kit includes a Syntax lamp holder with S14d fitting and a cover, an accessory that allows you to cover your lamp holder whilst hiding the cable clamp. This metal lamp holder cover works as a sheathing for the S14d lamp holder and is available in different finishes - choose the one that suits your style. The Gold finish is a perfect match to the golden LED linear bulbs, whereas the Silver finish suits the Smoky Grey linear bulbs, and yet again the white version is excellent combined with the opaline linear bulbs for a total white effect.

## Bulbs

The S14d lamp holders can be matched with a wide range of linear bulbs. Transparent, gold, smoky grey and opal finishes are available in 3 different lengths: small, medium and large. All the bulbs are dimmable.

300mm	500mm	1000mm
SEG50182 8 W - 300 Lm	SEG50186 12 W - 440 Lm	SEG50192 13 W - 720 Lm

SEG50184 8 W - 100 Lm	SEG50188 12 W - 240 Lm	SEG50195 13 W - 350 Lm
SEG50181 8 W - 350 Lm	SEG50185 12 W - 560 Lm	SEG50190 13 W - 720 Lm

## S14 lamps

The elegance and design of these lamps create a sophisticated atmosphere. The pendant version is ideal for minimal yet functional lighting along corridors or in large open spaces. Alternatively, wall lamps provide functional and decorative illumination, such as above a mirror or picture. S14 Lamps can be purchased with or without a bulb.
